## PUNKY'S TIDBITS MAY 2010

Well Folks, two pulls have come and gone already. One at Acton fairgrounds for fun and one at Reed's Track for points. The turn out of pullers was greater then ever for both pulls. Nice to see you all. I would like to welcome all the new pullers and I am also happy to see all the return pullers.

Greg Reed's was an awesome pull, other than the dust, hahah. I want to thank all those that helped on the track. It really makes a big difference when everyone steps up and helps, a little or a lot. It all matters. It gives someone else a break.

Our next pull will be at Cole's Mine Campground in Lebanon. There will be dry camping at a cost of \$20 per night and they would like a count of how many sites will be used. Please call Sonya at 457-1192. Only 20 sites available, so call your reservation in as soon as possible.

Sponsorships are still coming in and they are so much appreciated. Thank you to all of our sponsors, they make what we do possible.

If anyone has anything they would like to share for the newsletter, please email me at [noble.punky@yahoo.com](mailto:noble.punky@yahoo.com) or call me at 207-432-8874.

The club is also now on "Facebook", so drop us a line anytime. Great way for all of us to keep in touch. Our facebook name is SMGTC, of course.

The food tent is doing well and I appreciate Nichole and her help being there for us.

I want to thank the pulling committee for doing a fantastic job. Please take note of these guys (and gal). They are on the track and in the crowds, helping other club members, working the track, and keeping the rules in order.

Look forward to seeing you all at the next pull.

Stay happy and healthy,

Punky Noble, Club President

## TRACTOR OF THE MONTH

Mike and Devin Curit did the work on this beauty. The paint job was done by Richards Garage, and the lettering was done by Seacoast Signs. This tractor was donated by Matt Cassette. Excellent Job, guys!

The tractor was redone and donated to the club for the Make-A-Wish kids at our Make-A-Wish Festival in August

## JOKE OF THE MONTH

A little girl from the city, seeing a horse being shod, rushed to her mother. "Mother," she cried, "There's a man outside building a horse, I see him nailing on the feet."

## RULE TIP

**RULE # 7:**  
All youths 15 years old and under must wear a helmet.

## SAFETY TIP

Please be careful walking around the tractors as they are moving. Some tractors have sharp and pointed parts that stick out or are hanging from them.

Leesa is taking orders for special sizes of the pink ladies t-shirts, special sizes in the hoodie blue sweatshirts and any sizes of the zipper sweatshirts. Please call her at 423-6622 if you wish to order something as she will be putting in an order soon.
