PUNKY'S TIDBITS JUNE 2010

Well, two more pulls have come and gone. Greg Reeds was awesome, a very nice pull, excellent turn out and lots of new faces. Thanks go out to Greg and Jill for letting us pull at their track and sharing their camping site area with us.

Many thanks to Sonya, Shane, Cole and the entire Nevison family for building a track on the future home of the Cole's Mine Campground. I encourage you all to call and reserve a site for camping at our next pull on Sunday June 27th. We enjoy the building of new friendships and the stories shared when we get to sit around the campfire and chat (til all the lights go out). The track is the best ever! They did a super job on the food tent. The Nevisons have been very good to us and the club. Leesa and I will personally continue to support their campground adventure for many years to come. Thanks guys, job well done.

I can't thank enough members for helping out on the track. We appreciate it so much. The pullers have been staying in rotation and getting on the track in a timely manner. All of this makes things go so smoothly during the pulls.

Our Alfred Days Festival and parade are coming up soon. Please, if anyone has any ideas to share, let me know. The club has had a people mover donated to it and it is being restored at Ernie's house in Saco. This wagon

will be used in the parade and members wishing to ride on it will be welcome. We are inviting the Make-a-Wish kids to ride on it.

See you all at the next pull. The competition is fierce this year! We have many new members and great tractors in on the fun. Welcome to all of you. Hope you enjoy our club.

Wishing you all the best,

Punky Noble, Club President
