PUNKY'S TIDBITS SEPTEMBER 2009

"WOW!" is all I can say about the Make-a-Wish day. The committee had it very well put together. Everyone could see how well organized it was. Impressive for sure. You all did a lot of work to make this event run smoothly. We had coverage from channel 6 news and Motor Sports.

So many thanks to Ernie & Sharon and Charlie & Heather & Tucker for sharing their beautiful farm with all of us.

The last figure I have on the amount we raised for the MAW foundation of Maine was close to \$6000 !! We sent one of the youngsters that was at our pull on his wish to see Rascal Flats. That warms my heart beyond words. We are a club to be proud of in so n

The date for next year's fundraiser has already for August 8th, 2010. Set the date aside and this great event. What shall be our goal next

"WOW again !!" Acton Fair was a huge success also. It was the largest pull ever. With 30 participants in the 1000lb class, it made for a late night for all. Sorry we could not squeeze in the Powder Puff class, ladies. I appreciate all the members' involvement, attention to safety, and help afterwards. Thanks folks, you all did a fantastic job in so many ways. I am so proud to be a part of this club.

Metrocast television newscast was at the Acton fair and we got some fantastic coverage. We had a half hour segment in the morning and evening for a week. Great job on the interview, Rene!

I am working on our Pot Luck dinner schedule for the winter. Hope to have it done for the next newsletter. Leesa and I are also looking ahead to our end of year banquet. We would appreciate any volunteers to help

with the planning and encourage any ideas that any of you may have about awards and recognition. Please call or email us as soon as possible.

I would like to say welcome to all of our new members and I look forward to having fun with you and your family.

The bottle account is growing and the moneys raised (\$470) from the tractor raffle that Jen, Dave and Kyle Lank so kindly donated, have been set aside in a savings account to have our insurance money in the spring. Thanks so much to all of you.

Healthy wishes to all,

Punky Noble, Club President

JOKE OF THE MONTH

A blind man walks into the center of a grocery store with his seeing eye dog. He picks the dog up by the tail and swings him around and around over his head.

The clerk, who was watching all of this, walks over and asks the man, "Can I help you sir?"
"No." says the man. "I'm just looking around."

Welcome aboard new members!
